

New security terms for parcels to the U.S.A. 1/14/2011 2:00:00 AM

We would like to inform you, that in connection with the implementation of new security terms for transportation and delivery of parcels to the U.S., the delivery duration for orders to the USA will increase by about 2 weeks.

These new terms were implemented by the Transportation Security Administration (TSA). More informations can be found here: [TSA Release](#)

We are sorry for inconvenience caused and appreciate your understanding! We will inform you once the situation is back to normal.
